Dear Group Leader Candidate,

Enclosed is an application packet for the T.E.A.C.H. Early Childhood® Scholarship Program. Before applying, read this entire application packet to ensure you understand the benefits and responsibilities of this scholarship. T.E.A.C.H. is a comprehensive program encompassing much more than paying for tuition. While T.E.A.C.H. helps you attain your educational goals, it also provides cash bonuses in an effort to increase child care wages, and it works to reduce turnover in the child care field by requiring a commitment from you to remain at your current child care program or in the field of child care after completion of the coursework. In order to be considered for a scholarship, you must submit:

1. All 3 pages of the application, fully completed
2. The appropriate Center Participation Agreement (Model 1 or 2), signed by your Director
3. Income verification for each source of household income

Complete applications must be submitted at least six weeks prior to intended enrollment. Incomplete applications will result in a delay of consideration or denial of a scholarship. At times there may be a waiting list for scholarships.

Once we receive your application, we will review it to determine your eligibility and will notify you in writing whether you have been accepted, denied, whether we need more information, or whether you've been added to a waiting list. The following are the main criteria we use to determine eligibility. If you have any questions or believe you have a valid exception to these criteria, please call our office before submitting the application.

- **Must be working in a licensed child care program full-time as defined by that child care program**
- **Must have worked for 90 days at that center**
- **Income must not exceed \$17.00/hour for teachers, aides and assistants**
- **Sponsorship of employer**
- **Please note: This scholarship follows the Colorado state licensing requirements. The T.E.A.C.H. Group Leader Scholarship covers 80% of tuition and fees for ECE 101 and one other three credit ECE course.**

The completed forms can be returned by mail to T.E.A.C.H. Early Childhood® or by fax (address and number at top). If you are approved for a scholarship, you will receive a contract and further instructions by mail. We thank you for your interest in T.E.A.C.H. Early Childhood®. We look forward to working with you to increase the professionalism and quality of Early Childhood Education in Colorado!

Sincerely,

Kacee Austin
T.E.A.C.H. Coordinator

Facts and Program Information

What is T.E.A.C.H. Early Childhood®?

T.E.A.C.H. (Teacher Education and Compensation Helps) Early Childhood® provides educational scholarship opportunities for child care professionals. Participants receive scholarships to earn undergraduate level Early Childhood Education Credentials, an Early Childhood Associates Degree or an Early Childhood Bachelor's Degree.

Why is T.E.A.C.H. Early Childhood® needed in Colorado?

- Research indicates that both higher education and specialized training in early childhood education are critical indicators of quality in a child's care experience.
T.E.A.C.H. Early Childhood® assists teachers, directors, and family child care providers in going back to school to earn more education.
- Colorado child care professionals receive very low wages. On average, child care teachers earn between \$8 and \$13 per hour.
T.E.A.C.H. Early Childhood® provides a financial bonus upon completion of a scholarship contract.
- Colorado has a child care center staff turnover rate that has been estimated anywhere between 24 - 67% per year (depending on how it is calculated), compared to an average of 9.6% for all U.S. companies.
T.E.A.C.H. Early Childhood® requires that participants agree to remain in child care for six months to one year following the successful completion of the educational requirements, thereby lowering turnover.

Who can participate in T.E.A.C.H. Early Childhood®?

The scholarship recipient must meet the following criteria:

1. A qualified applicant must be employed in a licensed child care program, full time as defined by that child care program
2. Income is not to exceed \$17/hour for center teachers, aides and assistants.
3. The applicant must have a minimum of 90 days experience working in their current child care program.
4. Employers must sponsor center employees' scholarships. The employer must agree to pay 5 to-20% of the scholarship tuition, and to pay a financial bonus upon completion of the work commitment based on the Model (see Matrix for breakdown)

What are the responsibilities of the scholarship recipient?

The applicant agrees to complete a 6 semester credit hours with grades of C or better at a participating accredited college within one year. They also commit to a minimum of six months of continued employment at the sponsoring program or in the field of early childhood upon completion of the educational contract requirements.

How are the scholarships funded?

A partnership exists between the participant, the sponsoring child care program and T.E.A.C.H. Early Childhood®. The attached scholarship matrix provides the dollar amounts each partner contributes under each type of scholarship. Currently, T.E.A.C.H. Early Childhood® is funded by CCDBG/CCDF funds through the Colorado Department of Human Services' Division of Child Care, by various Early Childhood Councils and/or Consolidated Child Care Pilots, by counties and cities and by Colorado Foundations

What are the goals of T.E.A.C.H. Early Childhood®?

- To increase the knowledge base of teachers working with young children, thus improving the care children receive;
- To encourage child care programs to support the continuing education of their staff;
- To provide increased compensation that is directly related to increased education;
- To reduce staff turnover by requiring a work commitment to the child care program or field from each scholarship recipient;
- To provide a sequential professional development path for child care professionals;
- To generate a collaborative funding base for T.E.A.C.H. Early Childhood® through state and federal funds, foundations, and additional corporate partnerships;
- To create a model of partnership for improving the quality of care that children receive in Colorado.
